

## sempreverde2018 Evaluation Summary

This survey was distributed at the end of the Awards Brunch, then it was emailed to all attendees to complete online. 119 people responded. In the results shown here, the open-ended questions are summarized. To read the comments verbatim, please see the full summary which is also attached to this email as an excel spreadsheet.

### Please indicate your overall satisfaction with this convention.

118 responses

2.5% Neither satisfied nor dissatisfied  
2.5% Somewhat dissatisfied  
0.8% Very dissatisfied

### What topic would you like to see at the AROC 2019 and 2020 Conventions? (58 responses)

The most frequently mentioned topics focused on technical issues, such as particular models, factory participation, restoration, maintenance, and tech sessions.

### What was MOST VALUABLE about the convention? (98 responses)

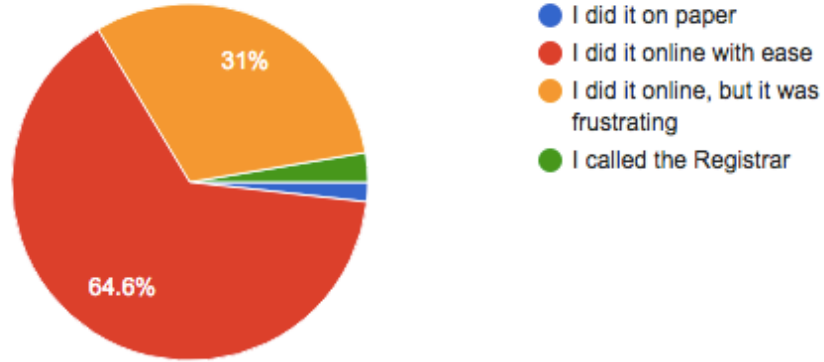

By far, the most mentioned theme was meeting other Alfisti, renewing old acquaintances and making new ones.

### What was LEAST VALUABLE about the convention? (64 responses)

Some comments related to the hotel – food, understaffing, tired, parking. Others related to individual events. Several people suggested there should be more vendors.

# Rate your experience registering for the convention

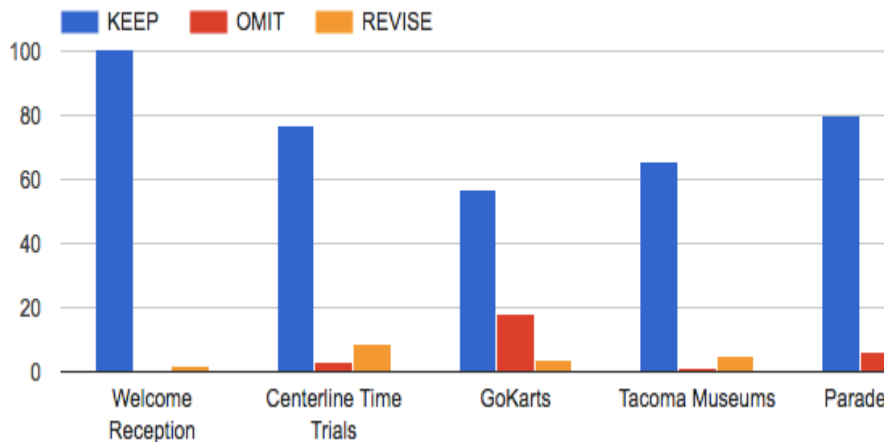

113 responses

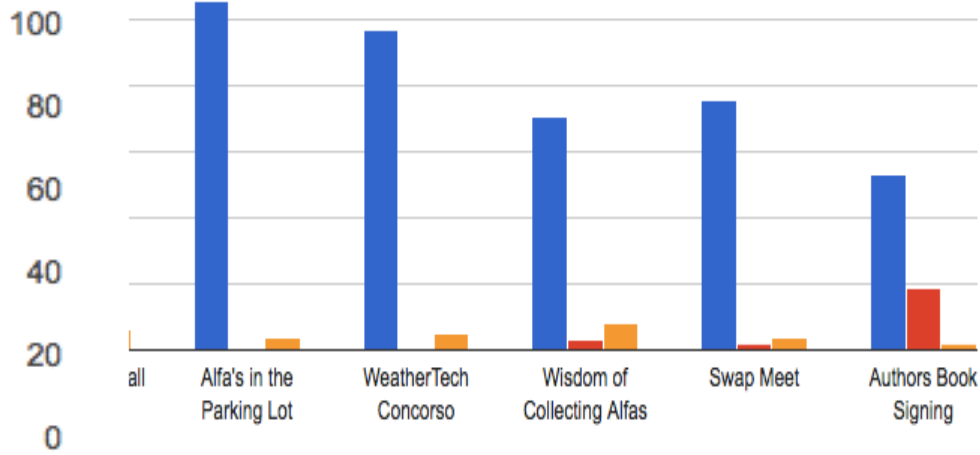

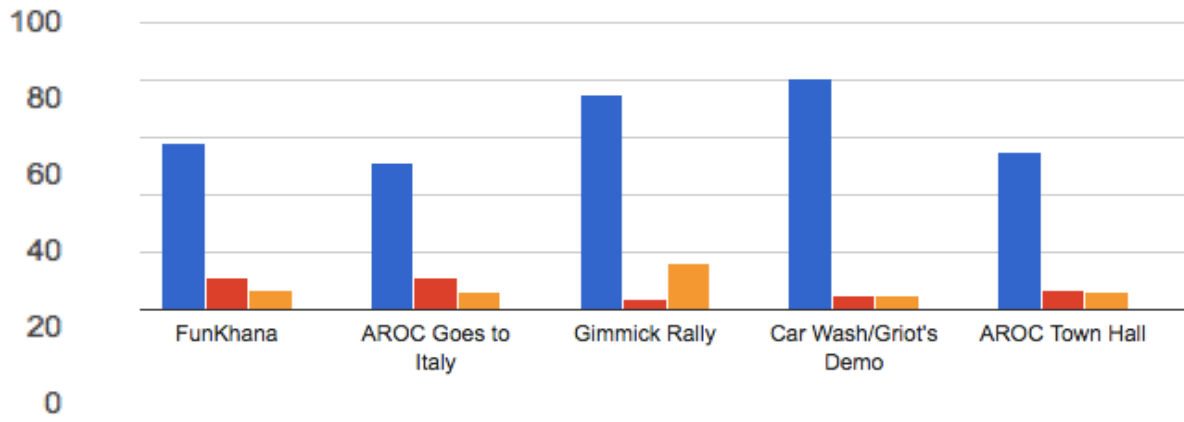

2.7% I called the registrar  
1.8% I did it on paper

## Any comments regarding your registration experience? (59 responses)

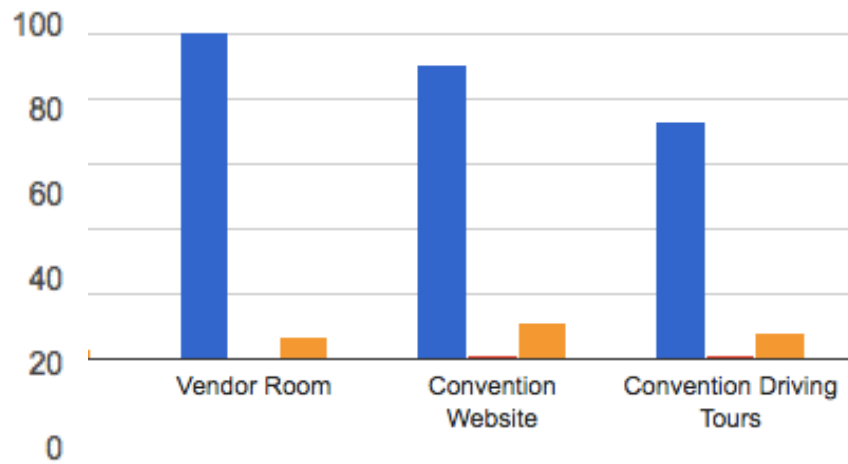

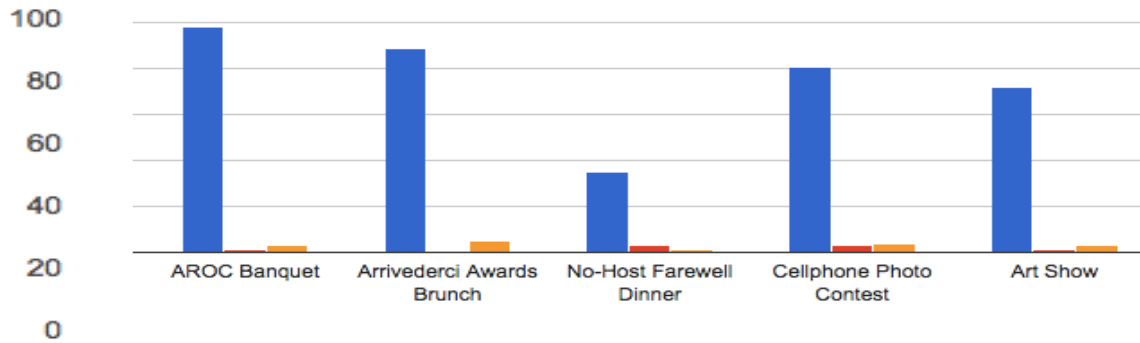

Two-thirds of the people had a good registration experience, while quite a few felt it was non-intuitive, tedious, and frustrating. Several people commended Doug for his help when needed. Several suggested that AROC adopt a single registration system for all events.

KEEP OMIT REVISE

KEEP OMIT REVISE

**If you checked REVISE, what improvements would you suggest? (64 responses)**

These related to specific events, so difficult to summarize. Improvements to the Gimmick Rally and Cellphone Contest were mentioned numerous times.

**Is there anything else you would like to share with us? (76 responses)**

36 of the responses were entirely positive. Several commented on too much downtime and wanting a list of attendees.
