Cellphone Photo Contest

- Delighted by the abundance of Alfa Romeos all around you?
- Inspired by the magnificent beauty of the Pacific Northwest?
- Having a blast with your fellow Alfisti?

Capture that feeling in a photo and win a prize! You don't have to use a cellphone – any camera will do – but you do have to be an AROC/ARA/ARCC member. Each day there will be themes reflecting the day's major activities, and there's one week-long theme. Prizes will be awarded for each theme and for a single Photo of the Week. The themes are:

Thursday, Aug 9

- The Track** – cars at speed, paddock activity, action at the Fun-Khana, go-karts, whatever inspires you.
- Museums** – something that caught your eye while visiting, an exhibit or even the museum itself.

Friday, Aug 10

- Gimmickry** – capture the fun of driving around rural Washington while answering tricky questions.
- Suds** – Alfisti washing their cars in the parking lot.

Saturday, Aug 11

- Chrome** – there'll be a lot of it at the Concours; how can you best capture it?

All Week

- Fun** – anything capturing Alfisti having convention fun with other Alfisti.

Just e-mail your photos (a maximum of three entries per person per theme) by 7pm Thur/Fri and 2 pm on Saturday to alfa18photo@gmail.com. Two very important things to remember:

1. Put the theme you're entering in the subject line; this helps us auto-sort the entries for review.
2. State your name in the message body. Several couples have registered as separate contestants but with the same e-mail address, and we need to give credit where it's due!

Entries will be displayed on a screen in the Art Show/Vendor Room; winners will be announced at the Sunday morning Arrivederci Brunch presentations.

The judges' decisions are final. AROC and NWARC reserve the right to reject any entry, and to use any entry in club publications or for general marketing purposes. No compensation will be provided, although photo credit will be given.
